Tuesday 10th November 2020 14:00 – 17:00

<https://d-u-g.webex.com/d-u-g/onstage/g.php?MTID=ea910312b65e8bc0c101567fb3bd4ded8>

1. **Tim Drye, Director Data Analysts User Group** – Chair’s Introduction
14:00 – 14:20
2. **Mark Stern, Eoin Gleeson & Fraser Gray - Ladbrokes Coral** - Leading High Performing Analytical Teams and the Experience from Within
14:20 – 14:50
3. **CDRC Student Dissertation Presentations** – plus live poll
followed by
Professor Paul Longley – Poll Result, Winners Announcement
14:50 – 15:40
4. **Dr Andrew Larner - Larner Associates** - Testing times for councils: practical tools for adapting to the Coronavirus
15:40 – 16:00
5. **Professor Sir Ian Diamond** - National Statistician - Statistics for the Public Good
16:05 – 16:50
6. **Gary Cole** – DUG Benefits
16:50 – 16:55
7. **Tim Drye** – Chair’s Reflections
16:55 – 17:00

Please Note: not all dissertations in the poll will be presented at the Conference, therefore it would be appreciated if you could take the time to look at the student dissertations before you attend. These and other relevant papers will be uploaded over the weekend to our Virtual Conference Pack on the DUG website, seen by following this link... <https://www.d-u-g.co.uk/events.html>
